## WORKS ALERT

THE TYPEWRITER BUILDING,  
140-148 BOROUGH HIGH STREET, SE1 1LB

MONDAY 11TH DECEMBER 2023—TUESDAY 19TH DECEMBER 2023

### THE PLAN

### THE WORKS

Faithdean PLC will be carrying out remedial works to the canopy at the front of Typewriter Building.

To be able to carry out these works in a safe manner it will require us to close the footpath immediately outside the building.

A temporary walk way will be set up using Chapter 8 barriers to ensure a safe walkway around the works.

We will have two Traffic Marshalls managing the footway to assist with all highways users and two banksmen controlling the traffic logistics.

We apologise in advance for any inconvenience this may cause, we are taking all practical precautions to mitigate the effect of the works on the buildings surrounding neighbour's and the local community.
